This is a Purchase Order ("Order") between ASRC Federal, an ASRC Federal subsidiary, or Prime (ASRC Federal), hereafter referred to as ASRC Federal or "Buyer," and the seller identified on the face of this Purchase Order, hereafter referred to as "Seller."

- 1. ACCEPTANCE OF TERMS** Acceptance of this Order by Seller may be made by signing the acknowledgment copy hereof or by commencing performance hereunder, and any such acceptance shall constitute an unqualified agreement to all terms and conditions set forth herein. Any additions, deletions or differences in the terms proposed by Seller in accepting this Order are objected to and hereby rejected, unless Buyer expressly agrees otherwise in writing.
- 2. PERFORMANCE/DELIVERY** Time is of the essence in this Order. The date specified for delivery or performance is the required delivery date at Buyer's facility, FOB Destination, unless otherwise stated. Seller shall promptly provide written notice to Buyer if an actual or potential delay threatens delivery or performance of THIS Order. Buyer may refuse any goods or services and cancel all or any part hereof if Seller fails to deliver all or any part of any goods or perform all or any part of any services in accordance with the terms specified herein. If Seller's deliveries and/or performance of services will not meet agreed schedules, Buyer may direct Seller to expedite such delivery or performance at Seller's cost. Delivery shall not be deemed to be complete until goods have been received and accepted by Buyer, notwithstanding delivery to any carrier. Services shall not be deemed to be completed until they have been performed, received and accepted by Buyer.
- 3. INTERCHANGEABILITY** Any goods furnished under a specified part number shall be fully interchangeable with and equal in function and quality to any goods previously furnished under the same part number.
- 4. PACKAGING AND SHIPPING** Any goods shall be suitably packed and prepared for shipment, comply with any specific transportation specifications of Buyer, and comply with carrier's regulations. - 5. INSPECTION AND ACCEPTANCE** All goods supplied and services performed shall be subject to inspection and test by Buyer, its agents and its customers prior to final acceptance. No inspection made prior to final acceptance shall relieve Seller from responsibility for defects or other failure to meet the requirements of this Order. In the event the goods or services are not in accordance with this Order, or fail to meet any specific inspection requirements of Buyer, Buyer may require prompt correction, repair, replacement of the goods or reperformance of the nonconforming services at Buyer's option and Seller's sole expense, including all packaging and shipping charges. If Seller is unable to accomplish the foregoing remedies within the original agreed schedule, then Buyer may terminate the Order and procure such goods or services from another source and Seller shall be liable for any excess costs. Seller shall bear the risk of loss of, or damage to, the goods covered by this Order until delivered to the location designated on the face of this Order and accepted by Buyer. Buyer's approval of any Seller submittals shall not relieve Seller of its obligations hereunder.

Acceptance of any part of the Order shall not bind Buyer to accept future shipments or performance of services nor deprive it of its right to cancel or return all or any part of the goods because of failure to conform to the Order or by reason of defects, whether latent or patent, or other breach of warranty, or to make any claim for damages.

- 6. PAYMENT** Invoices shall contain the following information as applicable to goods or services: order number, item number, description of goods and/or services, sizes, quantities, unit prices, hours, labor categories and extended totals. 21. DISPUTES

- (a) Buyer and Seller agree to enter into negotiations to resolve any dispute arising under or relating to this Order. Both parties agree to negotiate in good faith to attempt to reach a mutually agreeable settlement within a reasonable amount of time.
- (b) Subject to paragraph (c) below, if negotiations are unsuccessful, the parties expressly agree that the sole and exclusive venue for any legal proceedings concerning said dispute shall be in the state or federal courts of the Commonwealth of Virginia, and the parties expressly submit to the jurisdiction of such courts.
- (c) Notwithstanding any provisions herein to the contrary:
- (i) If a decision relating to the Prime Contract is made by the Contracting Officer and such decision is also related to this Order, said decision, if binding upon Buyer under the Prime Contract shall in turn be binding upon Buyer and Seller with respect to such matter; provided, however, that if Seller disagrees with any such decision made by the Contracting Officer and Buyer elects not to appeal such decision, Seller shall have the right reserved to Buyer under the Prime Contract with the Government to prosecute a timely appeal in the name of Buyer, as permitted by the Prime Contract or by law, Seller to bear its own legal and other costs. If Buyer elects not to appeal any such decision, Buyer agrees to notify Seller in a timely fashion after receipt of such decision and to assist Seller in its prosecution of any such appeal in every reasonable manner. If Buyer elects to appeal any such decision of the Contracting Officer, Buyer agrees to furnish Seller promptly with a copy of such appeal. Any decision upon appeal, if binding upon Buyer, shall in turn be binding upon Seller.
 - (ii) If, as a result of any decision or judgment which is binding upon Seller and Buyer, as provided above, Buyer is unable to obtain payment or reimbursement from the Government under the Prime Contract for, or is required to refund or credit to the Government, any amount with respect to any item or matter for which Buyer has reimbursed or paid Seller, Seller shall, on demand, promptly repay such amount to Buyer. Additionally, pending the final conclusion of any appeal hereunder, Seller shall, on demand, promptly repay any such amount to Buyer. Buyer's maximum liability for any matter connected with or related to this Order which was properly the subject of a claim against the Government under the Prime Contract shall not exceed the amount of Buyer's recovery from the Government.

 - (iv) Seller agrees to provide certification that data supporting any claim made by Seller hereunder is made in good faith and that the supporting data is accurate and complete to the best of Seller's knowledge or belief, all in accordance with the requirements of the Contract Disputes Act of 1978 (41 USC §§ 7101-7109) and implementing regulations. If any claim of Seller is determined to be based upon fraud or misrepresentation, Seller agrees to defend, indemnify and hold Buyer harmless for any and all liability, loss, cost or expense resulting therefrom.
- (d) Any dispute not addressed in paragraph (c) above, will be subject to the procedures in paragraphs (a) and (b) of this Article.
- (e) If a dispute governed by paragraph (c) above relates to a Government decision on the allocability of Seller's costs incurred under this Subcontract, such dispute shall be governed by Federal law.
- (f) Seller shall proceed diligently with performance of the Order pending final resolution of any dispute, request for relief, claim, appeal, or action arising under or relating to the Order.
