ASRC Federal and its Subsidiaries (ASRC) may award procurement to the seller where the costs will be charged to a U.S. government prime or subcontract. If so, the seller is advised that the U.S. government may impose a penalty against a firm misrepresenting its business size and/or disadvantaged status for the purposes of obtaining procurement that is to be included as part, or all of a goal contained in ASRC's Subcontracting plan. Eligibility as a small business is based on the regulations issued by the Small Business Administration in CFR 13, Part 121 of the SBA Rules and Regulations and FAR 52.219-1.
