

COMMERCIAL PRODUCTS AND COMMERCIAL SERVICES CLAUSES (FAR, DFARS, GSAR, HSAR and NFS)

The following clauses are incorporated by reference to the extent indicated below. These clauses set forth Seller's minimum obligations and do not diminish any Seller obligations set forth elsewhere in the Subcontract. For purposes of this introductory paragraph and the headings below, the term Subcontract shall include any agreement between ASRC Federal and Seller, to include Subcontracts, Task Orders, Purchase Orders, Basic Ordering Agreements and Orders. The effective version of each clause shall be the version that applies to ASRC Federal under its prime contract or higher-tier subcontract. In all cases, the clauses shall be interpreted to apply to Seller as necessary to reflect the position of Seller as a subcontractor to ASRC Federal, to ensure Seller's obligations to ASRC Federal, and to enable ASRC Federal to meet its obligations to its customer. Without limiting the foregoing: (1) unless the context of the clause or applicable law requires otherwise, the term "Contractor" shall mean Seller, the term "Contract" shall mean the Subcontract as that term is defined above, the term "Subcontractor" shall mean Seller's subcontractor, and the terms "Government," "Contracting Officer" and equivalent phrases shall mean ASRC Federal and ASRC Federal's Contractual Representative, respectively; (2) the words "Government" and "Contracting Officer" do not change when a right, act, authorization or obligation can be granted or performed only by the Government or when title to property is to be transferred directly to the Government; and (3) where a clause specifies the number of days in which Seller must act, that number shall be reduced by half. Seller shall include any applicable clauses in their subcontracts with lower-tier suppliers to the extent specified in the clauses.
