1. ACCEPTANCE OF TERMS Acceptance of this Order by Seller may be made by signing the acknowledgment copy hereof or by commencing performance hereunder, and any such acceptance shall constitute an unqualified agreement to all terms and conditions set forth herein. Any additions, deletions or differences in the terms proposed by Seller in accepting this Order are objected to and hereby rejected, unless Buyer expressly agrees otherwise in writing.

2. PAYMENT Invoices shall contain the following information: order number, item number, description of goods or services, sizes, quantities, unit prices and extended totals. Invoices submitted hereunder will be paid Net 45 Days after receipt of proper invoice, less offset for any amount owed to Buyer. Buyer bears no risk of late payment as long as payment is initiated properly and timely.

3. DELIVERY Time is of the essence in this Order. The date specified for delivery or performance is the required delivery date at Buyer's facility, FOB Destination, unless otherwise stated. Seller shall promptly provide written notice to Buyer if an actual or potential delay threatens delivery or performance of Order. Buyer may refuse any goods or services and cancel all or any part hereof if Seller fails to deliver all or any part of any goods or perform all or any part of any services in accordance with the terms specified herein. If Seller's deliveries will not meet agreed schedules, Buyer may direct Seller to expedite such delivery at Seller's cost. Delivery shall not be deemed to be complete until goods have been received and accepted by Buyer, notwithstanding delivery to any carrier, or until services have been performed, received and accepted.

4. PACKAGING AND SHIPPING Goods shall be suitably packed and prepared for shipment, comply with any specific transportation specifications of Buyer, and comply with carrier's regulations. All charges for packing, crating and transportation are included in the price for the goods. 5. INTERCHANGEABILITY All goods furnished pursuant to this Order under the part number specified shall be fully interchangeable with and equal in function and quality to items heretofore furnished under the same part number.

All representations and warranties of Seller shall run to Buyer and Buyer's customers. Remedies under this warranty shall include, without limitation, at Buyer's option and at Seller's sole expense, prompt repair, replacement, re-performance, or reimbursement of the purchase price. The foregoing warranties shall survive any delivery, inspection, acceptance or payment by Buyer.

In the event goods or services are not in accordance with this Order, or fail to meet any specific inspection requirements of Buyer, Buyer may require prompt correction, repair, replacement or re-performance thereof at Buyer's option and Seller's sole expense and risk, including all packaging and shipping charges. If Seller is unable to accomplish the foregoing remedies within the original agreed schedule, then Buyer may procure such goods or services from another source and Seller shall be liable for any excess costs. Buyer's approval of any Seller submittals shall not relieve Seller of its obligations hereunder.

8. ACCEPTANCE Acceptance of any part of the Order shall not bind Buyer to accept future shipments or performance of services nor deprive it of its right to cancel or return all or any part of the goods because of failure to conform to the Order or by reason of defects, whether latent or patent, or other breach of warranty, or to make any claim for damages. Seller shall bear the risk of loss of, or damage to, the supplies covered by this Order, until accepted by Buyer.
